

Jeffrey Brozich Healthy Heart Foundation 2022 Topgolf Charity Event

OUR WHY

On March 1st, 2021, Captain Jeffrey Brozich suffered a fatal heart attack while on duty at the Madison Heights Fire Department. He was found by his fellow firefighters when he failed to report to Engine 71 for a medical run. He was 57. The cardiac event that Jeff suffered could have been prevented or treated, had he have known something was wrong.

The JBHHF goal is to provide each first responder with a cardiac CT for calcium scoring and potentially other related scans. This screening provides pictures of the coronary arteries to determine if they are blocked or narrowed by the buildup of plaque-an indicator for atherosclerosis or coronary artery disease (CAD). The information obtained can help evaluate whether the individual is at an increased risk for a heart attack.

What is Topgolf?

Topgolf is a sports entertainment complex that features inclusive, high-tech golf game that everyone can enjoy. Paired with an outstanding food and beverage menu, climate-controlled hitting bays and music, Topgolf has an energetic hum that you can feel as soon as you walk through the door.
